FULL-STACK WEB DEVELOPER

PROFESSIONAL SUMMARY

I'm a passionate web developer with over 3 years of IT industry working experience (including 2+ years of IT recruiting) and a strong scientific background in Biology and Cognitive Psychology.

My top-notch communication skills, commitment to staying up-to-date on the latest IT skills and industry knowledge, and dedication to excellence, creativity, and innovation make me a highly skilled and reliable developer.

My unique perspective and deep understanding of the field would make a valuable contribution to your team. I'd be delighted to discuss how we can work together to achieve your goals.
